Bhawan's Mehta Mahavidyalaya takes great pride in actively celebrating and organizing a diverse array of national and international commemorative days, events, and festivals. These occasions serve as significant milestones in our academic calendar, fostering a vibrant and culturally rich environment that transcends boundaries and brings our diverse community together.

On the national front, we passionately observe events such as Republic Day, Independence Day, and Gandhi Jayanti. These celebrations not only instill a sense of patriotism but also educate our students about the historical significance of these days, reinforcing our commitment to the principles of democracy and non-violence.

Additionally, we embrace the multicultural nature of our institution by commemorating international events and festivals. 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Practice 1: SMS Services for Students Objective: Providing quick information to remote village students efficiently. Context: Communication challenges for emergency notices and safety of girl students. SMS was a viable solution due to mobile phone prevalence

in rural areas. Execution: College implemented SMS services through AVS Group Technology, Allahabad, at an annual cost. Successful delivery of vital information like university notices, exam schedules, and viva voce dates. Challenges: Network failures and changing student phone numbers were key obstacles.

Practice 2: Installation of CCTV in Campus and College Building
Objective: Enhancing security, safeguarding costly equipment, and preventing incidents like harassment. Context: Open campus hosting university exams and staff shortages. CCTV installation was crucial for monitoring and female student safety. Execution: CCTV cameras were installed for instrument and exam security. Success: Improved campus security, equipment protection, and smooth exam conduct. Challenges: Frequent rural power cuts affected CCTV functionality, posing repair challenges.
